

Dear Room K:

Our theme for sharing in May/June is *Going Places*. For sharing time your child may share pictures, maps, and souvenirs from a remembered vacation. Also, your child might tell about summer vacation plans. You may wish to help your child create a photo collage or book of an actual or imagined family trip. Your child might use photos, drawings, postcards, and mementos to tell the story. Feel free to write down your child's story in his or her own words.

Have fun! This will be our last share of the year so be sure to check the calendar for your child's share day. It will begin next week!
